

# FAMILY GUIDE

## PreK – 5th Grade

During the Unfinished series, NextGen Sunday morning programming will focus on the truth that each of us is **individually made** to discover who we are meant to be in the Unfinished plan God has for us.

NextGen Ministry plans to equip your family to spend time together each week of the Unfinished series in the following ways:

### **UNFINISHED MEMORY VERSE:**

"How you made me is amazing and wonderful. (PreK-K PART) I praise you for that. What you have done is wonderful. I know that very well." Psalm 139:14, NIRV (Elementary FULL).

### **Commitment Card Deck**

PreK – 5th Graders will each receive their own deck of commitment cards with ideas of how they can individually offer their special efforts towards Unfinished. Then each Sunday during the series, kids can bring in completed cards as their Unfinished Commitment. Leaders will collect the kid's commitment cards and build a wall display for an ongoing celebration of our Unfinished progress.

### **Weekly Video Social Media Post**

The story of where and how our church began in 1987 is one with a few twists and turns along the way. Watch these fun video posts with your family each week as we make special stops around town that highlight our history and how God uses each season to grow Center Pointe to impact our community for His kingdom.

And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns.

Philippians 1:6

# FAMILY GUIDE

## Student Ministry

CPSM is incredibly excited about Unfinished and we are going to be challenging our students to take an active role in building into the future of our church.

**Middle School Students** will be asked to find ways in which they can utilize finances differently. For instance, if students frequent Starbucks or Chick-fil-A, maybe instead they take a trip or two less each week and use that money to be a part of Unfinished. Middle School students will also be encouraged to help out by serving, maybe in ways they haven't before, either at church, at home, or in their community.

**High School Students** will be asked to go above and beyond the Middle School students. High Schoolers will be challenged to be leaders, not only within Student Ministry, but the church as a whole. High School students will be asked to contribute financially what they can. And hopefully our students can give to inspire and challenge the adults of the congregation. Throughout the course of the project our students will be asked to pray boldly for God to provide, and for the church leadership in the building process. We believe our students, the next generation of leaders, are ready to lead right now. We are CPSM.
