

About Center Pointe

Center Pointe Christian Church is a group of people who are relying on the Holy Spirit to be disciples who Love God radically, serve others compassionately, and lead people to Jesus. We envision being a church where broken people can experience the unconditional love of Jesus through outstanding environments... where people can grow in grace with one another through transformational connections... and where everybody participates in bringing the Kingdom of God to Liberty Township and beyond through missional engagement.

Center Pointe Christian Church sits in the heart of booming suburbs on the north side of Cincinnati (Liberty Township). We are a church family (average weekly attendance 1,300) devoted to being good news and sharing good news where we live, work and play. In pursuit of that, we are in the process of a building project (adding a new worship center, children environments and lobby) as well as building a healthy culture. We are looking for the right people to move us forward in achieving those goals.
