Finance Leader - Volunteer

If you have a finance background, enjoy creating and analyzing financial reports and would love to help Center Pointe be good stewards of what God has provided, we need you!

We have just restructured our Finance function and are in need of an experienced volunteer to be our Finance Operations Leader. On average, it would take a few hours a week of your time, but we can modify that commitment based on your availability.

These are the tasks we need your help with:

- Interfacing with the Finance Committee and staff to ensure good practices in the handling of church financial assets.
- Working with the Finance Committee to develop and monitor a budget that maintains the stewardship responsibilities of the church and its ministries.
- Monitoring budget-to-actual numbers and working with ministry leaders on projections and modifications.
- Providing financial reporting/transparency to church leadership, Finance Committee and church members so all are aware of our fiscal state and areas of focus.
- Assisting with policies and procedures are in place to ensure consistency, accuracy and efficiency.

A background check will be required. If interested, please contact finance@cpcc.church.
