

Week 2: Grow Spiritually

The goal of the Christian life is transformation, but it doesn't happen overnight and it doesn't happen alone. It's a series of small steps taken consistently over time and with other people who are on the same journey.

Discussion Questions:

1. Do you know someone who has big faith? What is it specifically that you admire about their relationship with Jesus? Have you ever asked them how they got that kind of faith? If not, take that step this week and ask them!
2. **Read 2 Peter 3:17-18.** Why does Peter believe it's important to grow in the grace and knowledge of Jesus? How does this apply to us in today's culture?
3. As you reflect back over the last year, do you feel like you've grown in your faith? How so? What do you attribute that growth to? If you haven't grown spiritually, why do you think that is?
4. Spiritual growth comes down to desire and discipline. Which one of these do you struggle with the most and why? What do you think you can do to change that?
5. As you think about where you are spiritually, what are one or two steps you can take to grow your faith deeper (ex. consistent quiet time, giving, serving, leading a ministry or group, etc)? Close by praying for each other to take a step this week and hold each other accountable!
