Prayer

"Dear God, thank You for making the sun to shine in the day and the moon and stars to shine at night. We can do things in the light _____. And when it is dark, we can _____. That is SO cool! And now we can remember that You made the sun when the sun is shining too! We love You, God! In Jesus' name. Amen."

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

When you go into your child's room, cuddle them and say: "Good morning, [child's name]! The moon God made is going away. The sun God made says it's a new day!"

Cuddle Time

Cuddle with your child and pray: "God, we have been talking about how You made space and all of the planets and the sun, moon, and stars. It makes us go WOW! You are SO big and SO amazing and SO powerful, God! There is no one else like You!"

Drive Time

While on the go, talk about if you would ride in a space ship to the moon and back. Why or why not? If you went to the moon, what would you do when you got there? When you're done, talk about how God is so big and powerful, He made everything, including the sun, moon, and stars!

Bath Time

Give your child a bath crayon. Encourage them to practice drawing the sun by making a circle with straight lines shooting out from around it. As your child draws, talk about how God made everything in space—the planets, sun, moon, stars—all of it! Because God made everything!
