

Week 2: Become Like Jesus

We are all being formed by something—the people around us, the content we consume, and the habits we repeat. Jesus invites us not simply to believe in Him, but to follow Him so closely that we become like Him. Through His Word and Spirit, God helps us recognize what is forming us, remove what is deforming us, and replace it with what transforms us. Discipleship is becoming the kind of person whose life increasingly reflects Jesus.

Discussion Questions:

1. What are some of the biggest influences currently shaping who you are becoming? Think about people, media, habits, routines, work environments, or relationships.
2. **Read Galatians 5:16–25.** Which “works of the flesh” are easiest for you to recognize in your own life, and which fruit of the Spirit do you most want God to develop in you right now?
3. What does it look like practically to “keep in step with the Spirit”? How can we become more attentive and responsive to the Holy Spirit in everyday life?
4. Is there anything in your life that may be deforming you—shaping you away from the person Jesus is calling you to become? What might “putting it to death” or removing it actually look like?
5. **Recognize. Remove. Replace.** What is one specific thing God may be inviting you to recognize, remove, or replace this week so that your life more clearly reflects Jesus?
